

Marshalling Notes
Kingsville Migration Festival Parade
October 20, 2018

Dear Parade Participants

We are so excited that you are joining us for the 49th Annual Town of Kingsville Migration Festival Parade! Our theme this year is The Colours of Fall and we hope that you will be sure to have your float decked out in all of Fall's Finery! This year's parade will feature close to 50 entries, including bands, Horse Back Riders, Local not for Profit agencies, and community businesses and groups from across the area. As you well know, the parade is the highlight of the weekend! Thank you again for participating.

Check in for all entries is between **9am and 10am** at Main Street at Wigle. A parade marshal will greet you and direct you to the area for bands, or floats. You will be given an entry number, and asked to pull forward until you see the corresponding number. **After 10am** the parade marshals will be tightening up the parade, making it difficult to stage more floats! Make sure you don't get left behind! Remember there are prizes and plaques to be won for Best Band, Best Community organization and Best Business!

Staging will take place on Main Street between Wigle and Spruce Streets. The parade will step off and travel west on Main Street to Division, and then South on Division to Erie Street at **10:30am sharp**.

Band leaders, please note that your cheques will be available at check in. Bands will be directed to the park area directly in front of the high school for warm up. For bus drivers and other modes of transport, you will be directed to proceed to the end of the Parade Route at Division and Erie Street to await the end of the parade and to pick up your riders. Please do not congregate at the conclusion of the parade; please proceed to your ride.

There is absolutely no entrance to the parade staging area from the west end of the staging area or off any of the adjoining side streets. You will be re-directed to Main Street via Wigle should you try to access the route from any other areas.

We look forward to seeing you on October 20 in Kingsville. If you encounter any difficulties on parade day, please call Maggie Durocher at 519-796-0344

Thank you!

Kingsville Migration Festival Committee.
