**Notice of Public Information Centre #1
Road 2 East Reconstruction Phase 3
(Division Road to Graham Sideroad)
Town of Kingsville**

The Town of Kingsville (Town) is initiating a Public Information Centre (PIC) to provide residents with an opportunity to review the design and provide comments on the Road 2 East Phase 3 project in advance of construction to follow in 2023.

This project includes complete road reconstruction and the addition of an active transportation pathway along Road 2 East from Division Road to Graham Sideroad (see attached map). These improvements will provide a safe and accessible multi-modal transportation network that will accommodate future growth and development within the Town.

A Public Information Centre (PIC) is being held to present the detailed design, proposed road cross-section, and considerations for all users of the roadway. The PIC will be in-person at:

**The Grovedale Arts & Culture Centre (103 Park Street, Kingsville, ON)
Tuesday, September 20th, 2022 from 5:00pm to 7:00pm.**

PIC materials will be available on the Town's website for your review on September 20th, 2022.

Town Website: www.kingsville.ca

If you have any further questions about the project, please contact:
